Christmas Pantomime December 2013

We spent both the Monday and Wednesday youth club evenings in November and December preparing for our Christmas Pantomime - **Scrooge**

The young people used their creative and artistic skills to make the various parts of scenery and also the props. They designed the invitations and produced some PowerPoint images which were projected onto the screen during the presentation. They also spent time rehearsing their parts.

They presented their Pantomime to an audience

made up of family and friends and it was a great success. Throughout the weeks leading up to the performance the young people had opportunity to develop new skills and improved their interpersonal skills as they learned to work together on the scenery and props. For some of the cast this was their first time on stage and they handled the occasion well and this helped improve their confidence.
