

Report

MMA Club December 2013

The MMA Club this year was slightly disrupted by Matthew not being available for the 3rd Week, but nonetheless I think it is an important club for us.

Attendances were consistently high over the 4 weeks and it is one of the most popular clubs of the year. The teaching from Matthew was of a high standard and he had a variety of activities for the young people to do and variety of things for them to learn. There were a lot of young people who I thought wouldn't be interested in this club who not

only turned up but were participating in the activities.

The young people obviously enjoy this club a lot and want to be there. Next year the club will be changed to 'Self-Defence Club' simply to try and reach a wider target audience, but we expect attendances to be similarly high next year regardless.
