MADD Scooter Jam 9th October 2011

With our Facebook page buzzing with comments in the weeks and days prior and queues building up at our front door 40 minutes before they opened, Sunday 9th October saw one of the skatepark's hottest dates in it's 2011 calendar.

The clocked ticked 10am and the doors opened to a special 5 hour scooter event featuring the UK professionals from the MADD Team.

Over 80 people turned up, with 62 of those participating in the event and 39 competing in the competition.

The MADD UK Team spent the first 2 hours of the event engaging with the participants, helping them to develop their skills whilst demonstrating some of the amazing tricks they have perfected.

Judged by the MADD Team, the competition kicked off at 12.30pm with 4 runs of 9-10 participants at a time. Each run lasted 10 minutes, giving everyone a chance to show off their best tricks.

The two best from each run were then chosen to go through to the final for a chance to win bottles of Fiery Iron Bru, T-Shirts, Wheels, Handlebars and a top prize of a MPG Scooter!!

The top two from each run were:

- Run 1 - Kyle Lamond
David Herd
- Run 2 - Mark Williamson
Blair Deuchars
- Run 3 - Kieran Bell
Matthew Bracken-Ridge
- Run 4 - Cammy Whyte
Chris Whyte

These final eight battled over a further 10 minutes, giving them a chance to 'wow' the judges one last time.

It was a tightly fought battle. All of them had the MGP Scooter in their sights, but there could be only one overall winner...

After much deliberation the top three were chosen...

Third Place, winning Handlebars and Wheels was Cammy Whyte.
Second Place, also winning Handlebars and Wheels was Chris Whyte.
First Place went to David Herd, winning the MGP Scooter, Wheels, a crate of Fiery Iron Bru and a T-Shirt.
